TC -CIRCULAR (2023-2024)

Dear Parent

Greetings from SKMSVM.

As we approach the culmination of the current academic session, we thank you for your enduring support.

We started the year with the challenges of post pandemic but our students triumphed over the challenges. On the academic front we started with the bridge course and strengthened our students' skills. They outshined with their performances in the slip tests, periodic tests and other assessments including the external competitive exams. The plethora of activities that was in the umbrella of CCA include the rally, magazine making, poster making, elocution, debate , radio shows, quiz, pencil art. Our list is never ending with SCIENTIA activities and upcoming Marghazhi Utsav, Annual Sports Meet. On the interschool level competitions our students participated in paper presentation, symposium, South Zone Chess competitions and SKMSVM KHO-KHO league PRAVAH.

At this juncture we wish to strengthen our association in the years to come. Hence kindly confirm your ward's continuation for the coming academic session 2023-2024.

Do please encourage your son/daughter to maintain his/her efforts, because all of us are keen to recognize what they have been doing and to share and celebrate their success.

We assure that your ward will greatly benefit in his/her learning journey by continuing his/her studies in SKMSVM.
